

FRIDSRO

October Update

Greetings from your Fridsro family!

Last month our kids and staff from the children's home had a chance to spend a day at a beach resort due to a kind donation and a warm welcome from the hotel.

For many of them, this marked their first time seeing the ocean, even though they live on an island surrounded by water. They were awestruck to say the least. Even the spread at the lunch buffet was a gastronomical experience they are sure to never forget.

The games, swimming pool, and the trip itself made for a happy and tired crew. These types of adventures are cherished experiences for our kids and we are so happy when we can make them happen with your help.

May God continue to bless each one of you for your support, your partnership, your love, and your prayers in this ministry.

Jake Perera

Thank You!

World Children's Day

On October 1st, we had the honor of hosting the district's World Children's Day event at Fridsro.

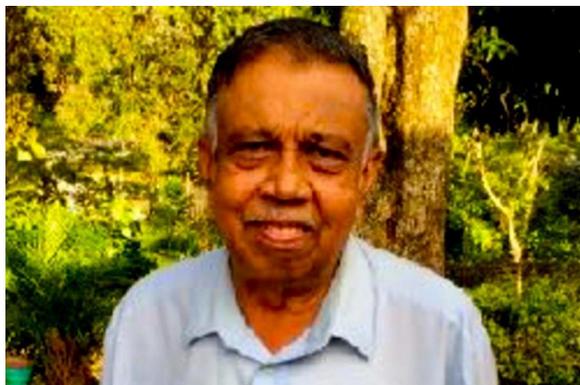

The special time was shared by children and staff from all the organizations in our district as well as various heads of government departments and dignitaries. Even the Governor was present!

Many of the special guests who usually excuse themselves after a couple of hours ended up staying long into the evening, even past the event's closing time. All were thoroughly blessed by the festivities and entertained by my father's stories of days gone by.

Usually, these events are held at city event centers or large sports arenas. This was the first time it was held at a children's home. This momentous occasion and the atmosphere it created was felt by all in attendance.

Farewell Joseph Uncle!

Joseph, the tailor, has worked for *Fridsro* for twenty-five years. He has served babies who were brought to the home and who are now married with children of their own. He has served faithfully, but he feels that it is time to retire and enjoy his own grandchildren. He will be missed by all of the children and staff.

Christmas is coming and we need your help!

Christmas is just around the corner and we need your help. Our family is growing and we will have 90 full-time kids in our care by then. For the children already at Fridsro, Christmas means a fun time of food, gifts, and special events as we keep the focus on Jesus Christ.

Please click below to help us give our kids (many of whom have never experienced Christmas before) a very special time together in our big happy family!
