

## **Payne Prayer Update**

Oct 5, 2017

### **Update: New Student Outreach**

Thanks for praying for the new student outreach at UCSC.

This past Tuesday we had our second weekly meeting. 11 students were present (5 new), which for us is encouraging.

One, Stella, an Australian woman is an older undergrad studying at the U. of Edinburgh. She is here for her junior year.

Another, Jason, was involved in IV at Cal Poly San Luis Obispo and has joined the weekly GCF men's group.

One woman who came to this past meeting is not yet a Christian but wants to learn more. A couple, Jordan and Marisa, are older, but both have come to everything. Jordan is the student (Visual Arts-Computer Games). Marisa is expecting (their first) in November.

Janet is beginning to meet weekly with some of the women; Peter with some of the men.

[The photos below are from our first meeting and from our beach pancake breakfast.](#)

Again, we are encouraged! Continue to pray for continued commitment from those attending (grad school pressures can be strong), and pray for further personal connections Janet and I are seeking to make with some who signed the info list, but who haven't come to something yet.
