FRIDSRO

Merry Christmas

&

Happy New Year

Thank You!

Dear Fridsro Friends,

Let me take this opportunity on behalf of my family and the extended Fridsro family to wish you a very Merry Christmas and a Happy New Year!

We are so glad that we can celebrate the birth of our Savior once again with friends and family.

I am sure this past year has brought us all sorrows and joys but through it all we have experienced the presence of our Lord Jesus Christ and the Grace of God to see us through and help us celebrate!

As I have said before, our family has grown and keeps doing so

due to the very real needs children in our world face today. It is our joy to partner with you in bringing relief to even a few of these most precious lives! **Thank you** from the bottom of our hearts for being there to make a difference. Without you our work on the ground would be harder to do but together it is a JOY and a privilege.

Our family has grown to 90 children at the home now and keeps growing every month. The children we help and work together for are the most deserving in our nation.

Please see our most urgent needs below and consider helping out before the start of the new year or being a partner in the ongoing needs of 2018.

May God continue to bless you for your support, your partnership, your love, and your prayers in this ministry.
